Hospitals and Privacy Laws:

 Because of privacy laws, hospitals do not notify us when parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

Prayer Network: for those not on the internet there is

an envelope on the bulletin board at the main entrance marked PRAYER NETWORK. Please take a copy of the prayer intentions inside this envelope and pray for fellow parishioners, family and friends.
