**Hospitals and Privacy Laws:**

Because of privacy laws, hospitals do not notify us when parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

Parenting Tip of the Month

Children thrive on routine and schedules, as do most adults. As summer approaches and the days grow longer, it can be difficult to keep established timetables in check. Helping your children flourish in mind, body and spirit this summer is possible, but as parents you must take control. Keep track of the nutritional value of the food your children consume each day; work hard to be sure they get the proper amount of sleep since it will provide benefits both now and into the future; remember to celebrate God's beauty in nature, to say prayers at meals & before bed and to attend Mass as a family. Children's growth doesn't take a break during the summer months, so be vigilant and they will blossom.

Items to Collect to Support Charities
