H Hospitals and Privacy Laws:

Because of privacy laws, hospitals do not notify us when parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

The greatest love story that ever happened: God's continuing love for His people. All God asks is "Love one another as I have loved you". The world really needs to see people who are trying to love others with all their hearts. Priests, religious and deacons can be excellent examples of this love. Children are impacted, from the day they are born, mentally, emotionally, physically and spiritually by our responses, both to their needs and to the way we engage with the world around us. As parents we should provide expectations for our children's behaviour, but it is also important to reflect on whether or not we expect the same of ourselves. If a child acts or speaks in a way we don't like, we should correct them, but it is essential to ask if they might be learning that specific behaviour from watching us. Our actions and words matter - children need us to model the behaviour we want from them.

Zumba at Knight of Columbus every Tuesday night in May at the Waterloo location, 145 Dearborn Place, starting at 6:30 p.m.

Cost: \$50 for new materials (Binder includes all material in downloadable format). Contact the Family Ministry Office at: thartnett@hamiltondiocese.com

**Marriage Tip**

"I love you" and "you matter" are important words in every married relationship. The words however, are never enough. Ask yourself how you can show these two expressions in both words and deeds, since words alone are not enough. Ask your spouse to tell you what things you do that express these two small phrases to them – if they can't think of any, you have some work to do! Ask them how you could express your love and their importance to you and you will both find joy!
