HOSPITALS AND PRIVACY LAWS: Because of privacy

laws, hospitals do not notify us when our parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us.

Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

Some time ago I asked that both men and women refrain from the use of cologne and/or perfume anywhere in our parish facilities as there are some in our parish family who are allergic to these substances. It appears that some may have forgotten about this. Just a gentle reminder to remember those with allergies to these fragrances and to please avoid using them while in church. Many thanks to those who are doing their part.

Bulletins

I have had an ever increasing number of parishioners who have asked that the bulletins not be put out or distributed before Mass but rather **after** Mass as was the parish policy for many years. The common complaints are that there are some who choose to read the bulletin before Mass and then leave the bulletin in the pew as they leave the church. Others are upset that some choose to read the bulletin during Mass (and the homily). As well, some find the clutter in the church disrespectful as this is God's house. I have spoken with the ushers and beginning with the Easter weekend, the bulletins will be distributed by the ushers at the **end** of Mass. Thank you for your kind understanding.

Holy Week - Easter Schedule

Because of the Lenten Communal Penance Celebrations, there will **NOT** be a parish Mass here at St. Teresa on Tuesday evenings April 12th or 19th. As well, please take home the schedule for all the celebrations found with this bulletin. Please plan now to partake of the different celebrations during this most sacred time in the life of the Christian Community

Hospitals and Privacy Laws

A sincere thank you to all who have called me to keep me abreast of those in the hospitals. I have been able to see almost every one as well as bring the Eucharist and the Sacrament of the Sick to them. Please keep it up!

P.S. This also applies to the nursing homes and senior residences
