HOSPITALS AND PRIVACY LAWS: Because of privacy laws, hospitals do not notify us when our parishioners are admitted. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

FROM THE DESK OF FATHER TOM
Bulletins

I have had an ever increasing number of parishioners who have asked that the bulletins not be put out or distributed before Mass but rather **after** Mass as was the parish policy for many years. The common complaints are that there are some who choose to read the bulletin before Mass and then leave the bulletin in the pew as they leave the church. Others are upset that some choose to read the bulletin during Mass (and the homily). As well, some find the clutter in the church disrespectful as this is God's house. I have spoken with the ushers and beginning with the Easter weekend, the bulletins will be distributed by the ushers at the **end** of Mass. Thank you for your kind understanding.

BINGO will be held **Saturday, April 23 at 12:30 p.m.**
