HOSPITALS AND PRIVACY LAWS: Because of privacy laws, hospitals do not notify us when our parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

FROM THE DESK OF FATHER TOM

Now that Father Bob and I are both using the rectory garage, I am asking everyone to refrain from parking in the area in front of the garage doors. If either of us is called out to the hospital, a sick call, etc.. and the doors are blocked, a person in need of the sacraments might be deprived of them. I know that I can count on your understanding. Thank you!

Praying for the Sick: With all the changes of laws regarding confidentiality, the only person(s) allowed to request a person to be prayed for in public must come directly from the person or a family member. As well, names being prayed for will be removed from the Prayers of the Faithful after three consecutive weeks unless requested again. It has happened that a person has recovered from an illness, sometimes quite some time ago, but no one has notified the parish. Questions? Please contact the rectory. While we all are in need of prayers, some are in greater need than others

ST. VINCENT de PAUL SOCIETY:

Hoping all are enjoying their awesome HOT summer. We can use some help with deliverers and callers. We need 2 people to deliver hampers for just one hour every 3 weeks. It is not very much time required but it means the world to those receiving. In order for us to deliver, we also need someone in their own home to pick up the messages from our neighbours in need. If you can spare the time for either of these tasks, please contact Deb. 519-7425538 for further details. Now stay safe and why not make everyday a great day ?
