**HOSPITALS AND PRIVACY LAWS:** Because of privacy laws, hospitals do not notify us when our parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

**FROM THE DESK OF FATHER TOM**

Now that Father Bob and I are both using the rectory garage, I am asking everyone to refrain from parking in the area in front of the garage doors. If either of us is called out to the hospital, a sick call, etc.. and the doors are blocked, a person in need of the sacraments might be deprived of them. I know that I can count on your understanding. Thank you!

There has been limited response to my request the past number of weeks regarding the letting the office know if you have any parish keys. Many keys remain unaccounted for. In speaking with the Diocese and with their encouragement, later this Summer or in the Fall, all of the locks will be changed and at that time, due to the expense of new locks/keys, a decision will be made as to the necessity for the distribution of new keys *Fr. Tom*

*Praying for the Sick: With all the changes of laws regarding confidentiality, the only person(s) allowed to request a person to be prayed for in public must come directly from the person or a family member. As well, names being prayed for will be removed from the Prayers of the Faithful after three consecutive weeks unless requested again. It has happened that a person has recovered from an illness, sometimes quite some time ago, but no one has notified the parish. Questions? Please contact the rectory. While we all are in need of prayers, some are in greater need than others*

**SUMMER BULLETIN** The bulletin will be published only on the following dates August 7th, & 21st during the summer. September 4th we will resume regular weekly publication.
