HOSPITALS AND PRIVACY LAWS: Because of privacy laws, hospitals do not notify us when our parishioners are admitted. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

Praying for the Sick: With all the changes of laws regarding confidentiality the only person(s) allowed to request a person be prayed for in public must come **directly** from the person or a family member. As well, names being prayed for will be removed from the Prayers of the Faithful after three weeks unless requested again.
