Holy Land Wood Art: This weekend, we will be having some beautiful art for sale in an effort to strengthen the Christian presence in the Holy Land.

The main income for the Christian community of Bethlehem - The Birth Place of Jesus - is selling their hand crafted olive wood religious items to the pilgrims who visit the area.

The past few years have been extremely hard for the community as a result of declining tourism. Some Christians responded by fleeing the Holy Land, and the absence of a living Christian community is very dangerous for the Holy Sites such as the Church of the Nativity.
