HOSPITALS AND PRIVACY LAWS: Because of

Hospital privacy laws, hospitals do not notify us when our parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

Mother's Day is this weekend and St. Teresa Parish is proud to once again participate in the baby bottle campaign in support of **Marillac Place**. Marillac Place is a Special Works Conference of St. Vincent De Paul and has been serving disadvantaged women in our community for over 24 years. Marillac Place offers safe housing to Mothers who are at risk of homelessness or at risk of losing custody of their child. Marillac Place provides these mothers with the support and skills they need to care for themselves and their little one. They can accommodate 10 Mothers and 11 children up to 2 years of age.

Marillac Place relies heavily on the donations from our community to keep its doors open. Mother's Day weekend, you will find empty baby bottles at the back of the church. Please support this important cause and take home a baby bottle. Fill it with your spare change and return it to the church on Father's Day weekend. Tax receipts will be issued and all the proceeds from the campaign go directly to the operations of Marillac Place and have an immediate impact on their residents and their infants.
