**HOSPITALS AND PRIVACY LAWS:** Because of privacy laws, hospitals do not notify us when our parishioners are admitted. If someone in your family is admitted to hospital and you want the Parish Office to know, please call and tell us. Many hospitals, Catholic or not, have a priest assigned to visit the Catholic patients and bring them Communion, but the family must tell the admittance office of their wish for a clergy visit.

**Holy Name Society at St. Teresa Parish** As with so many groups and organizations, be it in our society or our Church, there is a life as well as a death cycle. Sometimes we fight with all our might to instill life in a group or organization but some times we must also allow a group to live and then end. In his monthly newsletter of November 1st to the priests of our Diocese, Bishop Crosby brought forth an issue presented to him regarding the Holy Name Society and does it or does it not still exist in our Diocese and to put to rest confusion that seems to exist. He stated to the priests: "I hereby confirm that the Society has ceased operations in the Diocese of Hamilton, as clarified in a letter issued by Bishop Anthony Tonnes dated February 2, 2007. In the event a Holy Name Society Chapter is operating in your parish, please advise them that they should cease all activities." I wish to thank Bill Zister as president and his executive and any other members who may be active for their efforts. In being obedient to the will of both Bishop Tonnos and Crosby, effective immediately the Holy Name Society at St. Teresa of Avila Parish ceases to exist. God bless you all for your service to the Lord.

**Leonard Street Church Door:** A number of people have suggested to me that the church side door facing Leonard Street be left locked during the Masses. It would be used as an exit door. We will try this and see what happens. Please use the front doors to enter the Church.  
 Fr. Tom
