Did you know that no school board provides funding for the maintenance or replacement of playground equipment? Even a modest replacement structure costs \$20,000. This poses a real challenge to a School Community.

Funding a Playground – A Challenge

St. Teresa School, a small school in central Kitchener is proud of its top ten EQAO ranking among Ontario's 2625 elementary schools. A good playground contributes to continued academic excellence. Our current playground structure has been well loved, but now requires ongoing costly maintenance. The estimated cost of a new accessible, interactive, stimulating and safe playground is \$50,000.

A dedicated group of parents, community volunteers and staff in our small school community has worked extremely hard to raise \$30,000 towards our \$50,000 goal. Just over \$10,000 was granted to us by the City of Kitchener, Love My Hood Grant.

***With only \$20,000 left to reach our goal, We Need You.
As our neighbour, consider becoming a Community Partner.
Your donation can make our playground a reality!***
