Sixth Sunday in Ordinary Time

In today's Gospel (Mk 1:40-45), we continue to hear Mark report the miraculous healings that Jesus performed in Galilee. The Gospel begins with Jesus healing a man with leprosy. Leprosy is a disfiguring, infectious skin disease that has been surrounded by many social and religious taboos throughout history.

While healing the man, Jesus touched him, which also violated established social norms. This is an important sign of the depth of Jesus' compassion for the man. He instructed the man not to tell anyone about the cure and told him to present himself to the priests as prescribed by the Law of Moses.

Despite His instructions, the cured man spread the word about Jesus' healing power. Even when Jesus was in deserted places, people sought Him out in search of His healing. In the person of the man with leprosy, we see an image of all those in need. The sick and the outcast of our world are watching us, to see if we as Christians will choose to extend ourselves to others in need of healing and compassion.

When the devil reminds you of your past, remind him of his future.
St. Teresa of Avila

Ash Wednesday – February 17th. The Church emphasizes the penitential nature of Ash Wednesday by calling us to fast and abstain from meat. Catholics who are over the age of 18 and under the age of 60 are required to fast, which means that they can eat only one complete meal and two smaller ones during the day, with no food in between. Catholics who are over the age of 14 are required to refrain from eating any meat on Ash Wednesday.

The Significance of 40 Days as the period of Lent (Technically 46, as Sundays are not included in the count) is based on two episodes of spiritual testing in the Bible: the 40 years of wilderness wanderings by the Israelites after the exodus from Egypt (Numbers 33:38 and Deuteronomy 1:3) and the Temptation of Jesus after He spent 40 days fasting in the wilderness (Mt 4:1-11; Mk 1:12-13; Luke 4:1-13).

The Distribution of Ashes - During this time of the pandemic, if the churches are open, the distribution of ashes will be carried out differently.

After the ashes have been blessed by the priest, the formula for the distribution (Repent.../Remember...) is said once from the sanctuary as a general pronouncement to the gathered congregation and one general response ("Amen") is to be made by all. **The ashes will be distributed by sprinkling on the head of each one without saying anything. There will be no tracing of the cross on the forehead.** Similar to the distribution of Holy Communion, all who intend to receive the ashes are required to wear a mask.

Family Day – February 15, 2021

Family Blessing at both Masses on **February 13/14**

The family is important to the Church and to civil society, for it is the primary life-giving community. In our prayer we call down the Lord's blessing upon you, so that you may continually be instruments of God's grace to one another and witnesses to faith in all the circumstances of life. Continuing through the rest of the year, there will be a family blessing on the last Sunday of the month.

PARENTING TIP OF THE MONTH - Parenting Tip 127: Two kinds of love are on display in the month of February this year – one on Valentine's Day celebrating romantic love and one on Feb. 17th, Ash Wednesday, celebrating the infinite love of a merciful God. When we recognize the depth of God's love, so powerful that nothing can separate us from it, we feel secure that God is always with us. Both these loves are important and this is a great month to help children understand that God is responsible for both. Talk to them about how He created us to want to be in relationships, care about others and love important people in our lives. Help them to understand that the six weeks of Lent ends with the celebration Easter. Easter, the day we rejoice over Christ's resurrection and through His love, our ability to spend eternity in Heaven.

MARRIAGE TIP OF THE MONTH - Marriage Tip 107: In February we celebrate Valentine's Day, a day created to celebrate love and a great month to think back to the days of dating we experienced with our spouses! Days when we flirted, complimented, spent endless hours talking, hated to be apart and planned and went on dates! Now compare it to your time together today – have you given up all or most of these actions? Marriages that continue to have relationships that reflect their dating days feel connected, vitalized and loved. Why not consider making February a month of renewal for your marriage? Purposely create a relationship with your spouse where you give them your time and attention by making them your number one priority and ignite that same spark of love you felt in those early days of dating.

Holy Season of Lent

Ash Wednesday, February 17th, 2021, begins the Holy Season of Lent. The Diocesan Office for Evangelization and Catechesis and the Diocesan Office for Liturgy have prepared an Ash Wednesday program that can be celebrated at home – with the Gospel proclamation and a brief reflection by His Excellency, Bishop Douglas Crosby. Parents may bless their children by tracing the Sign of the Cross on their foreheads, marking the beginning of the annual Lenten journey. In addition to the liturgy, a resource sheet for families has been compiled that encourages a prayerful observance of this Holy Season. A Walk Through Fratelli Tutti - On Jan. 27th a successful and well attended session, *A Walk Through Fratelli Tutti*, occurred and participants overwhelmingly expressed a desire to delve further into this beautiful Encyclical. Pope Francis sees Fratelli Tutti as a social Encyclical where he breaks down, by looking at a number of concepts, what being created relational means and how living as a relational people can bring us into communion with both God and each other.

Join us for five sessions in March where we will discover more fully the beauty of the Encyclical, and Pope Francis' call for each of us to consider how we can truly see all people in the world as our brothers and sisters.

The sessions will be held on Mondays, **March 1, 8, 15, 22, and 29th**. Two time slots are available from 1:30 – 3:00 P.M. **OR** 7:00 – 8:30 P.M. Please register for the time slot that will work best for you and the zoom link to join by internet or phone will be sent to you.

Once you have registered for a session, you are free to attend the other time slot on any given week if that will work out better for you - you will simply need to email thartnett@hamiltondiocese.com to get the link for the session for which you are not registered. This will allow you flexibility around which session you attend.

This will be a great Lenten journey for all those in attendance, so please feel free to pass this information on to anyone on your e-mail list who you think might be interested! The link for registration, along with a bit more detail on Fratelli Tutti, can be found here: <https://hamiltondiocese.com/offices/family-ministry/fratelli-tutti>.

8 Ways to Pray During Lent

What do we do when we're facing an upcoming big event, celebration, or special occasion in our lives? We prepare for it. Holy Week and Easter are "big events" in the liturgical year of the Church and in the spiritual life of a Christian. So, as Christians, we prepare spiritually for these through the forty days of Lent. <https://www.loyolapress.com/catholic-resources/liturgical-year/lent/perspectives-on-lent/articles/lent-40-days-or-more/>

This means that, during Lent, we rededicate ourselves to prayer. There are as many ways to pray as there are prayers in this world, but a few prayer methods can help us in particular to spiritually prepare ourselves during Lent:

1. Make your abstinence a prayer-in-action.

As Catholics we are called to give up something for Lent. Chocolate, coffee, that extra helping of dinner, one less hour of video games or watching DVDs—whatever it is, you can make what you're giving up for Lent a prayer as well: a prayer-in-action. Whenever you encounter the thing you are abstaining from or the time of day that you would normally enjoy it, take a moment to say a prayer in recognition of your wholeness in God even without the thing you have given up. Thank God for the freedom to be wholly yourself without this and, at the same time, acknowledge the gift of its existence in the world.

2. Renew yourself through personal reflective prayer.

Lent is a time of spiritual renewal. One easy step you can take is to use the many free online resources to jump-start or reinvigorate your prayer life. A few such resources are Loyola Press's popular 3-Minute Retreats and Seven Last Words of

Christ guided meditation (<https://www.loyolapress.com/3-minute-retreats-daily-online-prayer/>), or try the prayer reflections offered by the Irish Jesuit site Sacred Space. If you're seeking more traditional support for your personal reflective prayer, consider a book specially designed to nourish you during Lent, such as *Praying Lent*.

3. Pray the Stations of the Cross.

One of the most common traditions of Lent is to pray the Stations of the Cross. This prayer helps us reflect on the passion and death of Christ in preparation for Good Friday observance and the Easter celebration. Check your local parish Web site or bulletin for listings of when a Stations of the Cross prayer service is being offered, or try one of the many online resources available.

4. Meditate on Holy Scripture with Lectio Divina.

Perhaps the oldest method of scriptural prayer known to Christians is lectio divina or "holy reading." This method of prayer is characterized by the slow reading and consideration of a text from Scripture, with repetition and meditation on key words or phrases. Lectio divina is rooted in the belief that the scriptural word speaks in the human heart as the word of God and can reveal the thoughts of our hearts in response to God. In this way, lectio divina leads to a deeper communion with the Divine.

5. Reflect deeper on your liturgical prayer.

When you attend Mass during Lent, be conscious of and meditate on the words you pray in the liturgy. For example, the Eucharistic Prayer, the highlight of each Mass, has special significance during Lent. After receiving communion, you may want to sit and reflect more deeply on this great prayer of the Church.

*Nothing speaks more clearly
of God's **LOVE** than the cross.*

odb.org

6. Join or start a prayer group.

There are many benefits to praying with others. In group prayer you're able to offer and experience a positive example, needed support and encouragement, different perspectives, and the inspiration to grow in the Christian life. A simple way to get started is to invite your spouse, a family member, or close friend to pray with you on a regular basis throughout Lent. You can also contact your local parish and inquire about prayer groups or prayer circles being sponsored. Or start your own communal prayer group. For example, the Meeting Christ In Prayer kit offers step-by-step instructions, guides, and all the necessary resources so even a beginner can start praying with others.

<https://store.loyolapress.com/meeting-christ-in-prayer>

7. Pray with children or as a family.

Being a parent, guardian, or teacher is a holy ministry and a sacred promise. Share your faith with children by letting them see and hear you pray, and by praying together. Guided Reflections for Children: Praying My Faith, Praying with Scriptures, and 52 Simple Ways to Talk with Your Kids about Faith are all practical, realistic resources to help you make the most of your prayertime with children. And don't forget about family dinners. Dinnertime is a great opportunity to start or enliven a tradition of family prayer during Lent. For children's prayer resources, click here: <https://www.loyolapress.com/catholic-resources/prayer/childrens-prayers/>

8. Start a practice of daily prayer that will last after Lent.

Perhaps the best prayer advice is to use Lent as a time to instill prayer habits that will last long after Lent has concluded. Resources such as yearly prayer guides—for example, A Prayer Book of Catholic Devotions can get you started and help you stay consistent. So enjoy your Lenten prayer. And don't think you have to do all the above. Perhaps choose one or two of these prayer methods to concentrate on—and then you can more fully experience the pilgrim journey toward Easter that is Lent.

Repent and
believe in
the Gospel.
—Mark 1:15

Light the sparkle of hope....

In times of a pandemic, when some people become heavy-hearted or depressed, Catholic Family Radio invites you to take part in this wonderful initiative - **to light the sparkle of hope - in the hearts of others**, by making a call and simply telling them - it's wonderful to hear you/chat with you.

This initiative can be accompanied by a small gift – a beautiful candle with hearts and a happy face - "A candle with a smile". You can light it at night and say a few prayers for yourself, your family and your friends. You will soon see, how much brighter your life will become. This candle is manually made by a Canadian artist. It is painted with colorful, hot wax and each candle is a unique work of art. It can be a beautiful gift and a sign of your remembrance.
